SENATOR CHAMBERS: Mr. President, I just want this in the record with the bills he read about. I introduced a bill on City Council. There is an error in the title page, it relates to cities of the metropolitan class, not first class. Perhaps the amendment should occur in the Committee, or should I take the bill back? OK, then I just wanted it brought to everybody's attention that it's cities of the metropolitan class. Thank you.

PRESIDENT: I think you have to move to suspend the rules, Senator Johnson, rather than ask for unanimous consent.

SENATOR JOHNSON: I will so move.

PRESIDENT: I think it's Rule 4(3) .... 5? Yes, Section 5. It's your motion to suspend then Section 5 of Rule 4, Senator Johnson, for purposes of taking up this resolution?

SENATOR JOHNSON: Yes sir, I so move.

PRESIDENT: Any discussion? The question is the suspension of that rule. Record your vote. Please vote. We need 30 votes for the suspension of rules. Would you please vote. Have you all voted? Record.

CLERK: 31 ayes, 0 nays, Mr. President, to suspend the rules.

PRESIDENT: The rule is suspended. Senator Johnson.

SENATOR JOHNSON: Mr. President, members of the Legislature. I move that the resolution be adopted.

PRESIDENT: Any further discussion? You've heard the motion. Record your vote. Have you all voted? Record.

CLERK: 32 ayes, 0 nays.

PRESIDENT: The resolution is adopted.

CLERK: Mr. President, LR 104 is ready for your signature.

PRESIDENT: While the Legislature is in session and capable of transacting business I propose to sign and do hereby sign LR 104, Senator Keyes.

The next two bills are Agriculture Committee bills. In the absence of Senator Schmit and in the absence of any objection these bills will be laid over. Seeing none, it's so ordered.

We're ready for LB 613.

CLERK: Read title to LB 613. There are no committee amendments or other amendments, Mr. President, as much as the bill went directly to General File.
